Dancer Spotlight

We would like to highlight a newer CDT teen dancer, Claire Long.

Claire has been serious about her training the past few months with a strong desire for growth and improvement. Between ballet classes and pre-season skills camp, she shows up to the studio each week ready to work hard. Claire will also be entering our competition team this year.

We are eager to see the way Claire shines in the studio and on stage this season!

Pilates Classes

Former dancer, Addie Maus has taken her passion for pilates and made it into a business venture. Aligned by Addie hosts weekly pilates classes at Yoga Melrose along with occasional special themed classes. Check out her classes using the QR code below.
